**3.2.1: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident**

**Innovation Ecosystem**

Sree Narayana College, Kannur, has established a robust innovation ecosystem, significantly enhanced through its participation in the Young Innovators Program (YIP) initiated by the Government of Kerala. This report outlines the college's initiatives, student engagement, faculty involvement, and collaborative efforts aimed at fostering innovation.

YIP provides institutions with a singular platform for cultivating innovation, nurturing talent, and gaining certification, fostering collaboration, offering scholarships, guiding careers, and contributing to Kerala's innovation ecosystem. It empowers institutions to shape the future through innovation, support, and collaboration.

The college actively sends students to participate in the YIP, where they engage with peers from various institutions to develop innovative solutions to real-world problems. Notably, some students have represented the college at state-level events, showcasing their projects and ideas. This exposure not only enhances their skills but also encourages a culture of innovation within the student body.

Faculty members from Sree Narayana College have taken on roles as state-level evaluators for the YIP program, collaborating with the Kerala Startup Mission. This involvement allows faculty to contribute to the assessment and development of innovative projects while also gaining insights into emerging trends in entrepreneurship and technology.

The college conducts numerous programmes through thrie Research Promotion Council, Institution Innovation Council, Entrepreneurship Development cell and various skill development programmes at Department level

to me

Sun, Jul 23, 2023, 8:42PM

Dear Ma'am,

Greetings from Kerala Startup Mission!

Kerala Startup Mission and Kerala Development and Innovation Strategic Council jointly conduct a program called [Young Innovators Program](#) for supporting the innovations from the students who are in schools, colleges and from researchers. The program was started in the year 2018.

In the YIP 4.0 batch, we have received 5000+ ideas and through various evaluation processes now we have 229 ideas in various sectors for the state level evaluation.

We would like to invite you to the evaluation panel of the idea scouted in the category 'Innovation Collectives and Co-operatives'. The event details are given below:

Event Date : 29.07.2023 (Saturday)

Reporting time : 09.00 am

Evaluation starting time : 09.30 am

Venue : AKG Memorial Govt Higher Secondary School, Pinarayi, Kannur

### Duty Certificate

This is to certify that **Dr Ayana N** of **Sree Narayana College Kannur** has attended duly as an evaluator in YIP 4.0 state level evaluation organized by Kerala Startup Mission in association with Kerala Development and Innovation Strategic Council (KDISC) on 29th July 2023, at AKG Memorial Govt Higher Secondary School, Pinarayi, Kannur.

The personnel may be granted duty leave and other benefits as per the institution's policy.

**3.2.1: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident**

**Indian Knowledge System**

Sree Narayana College, Kannur conducted an International Seminar on November 29 and 30, 2017. Dr Satheesh C P, the present Principal was granted a rupees five lakh, Major Research Project by ICHR in the March, 2016. The two-day international seminar-cum-workshop on Indian Martial Arts was the consequence of the MRP. The seminar was titled *Martial Arts as Embodied Knowledge: Historicity, Paradigms and Perspectives*. An academic seminar in a higher education institute, on the history, theory and aesthetics of Indian Martial Arts, is the first of its kind not just in Kerala, but in the whole of the country. Following the seminar, several workshops, one-day seminar and allied programmes were conducted by Dr Satheesh CP.

Under the auspices of the English Department of the college, Dr Satheesh with the help and assistance of Dr Gangadharan launched India's first online martial arts journal named, [www.thejournalofindianmartialarts.com](http://www.thejournalofindianmartialarts.com). Though not much work in continuation has been done with the journal, the first volume of the journal was posted online with a few articles. In the year 2023, Dr Satheesh was invited to Brazil to lead a six-member team of Kalaripayattu experts and Theyyam performers to participate in the six-day Vedanta Festival, conducted by a 2000-odd member community of Brazilians following Hindu religion and Vedanta spiritual practices, The six-day Hindu festival comprised of spiritual practices and cultural extragavanza including Theyyam and Kalaripayattu from Kerala. In 2024, Dr Satheesh was invited again and led a team of five members to Brazil.

## **IPR AND ENTREPREUNERSHIP INITIATIVES**

Sree Narayana College has established a dedicated Intellectual Property Rights Cell to foster awareness and understanding of Intellectual Property among its students. The IPR cell plays a crucial role in promoting innovation and protecting the intellectual contributions of College community

The IPR cell conducts regular workshops to discuss the importance of IPR, recent developments in the field and practical steps for protecting intellectual creations. Faculty and students engaged in research projects receive support in identifying potential areas for patenting and commercialisation.
