NIRF REPORT AND FOLLOW -UP ACTION

From 2020 onwards, college was making efforts to apply for the National Institutional Ranking Framework (NIRF). Unfortunately, the initial attempt did not yield the desired results. Recognizing the significance of this matter, the Internal Quality Assurance Cell (IQAC) organized a meeting to evaluate the situation thoroughly. It was unanimously decided in the IQAC meeting that seeking external expertise would be crucial to understand and improve the NIRF ranking procedure. To address this, IQAC organized a one-day session with Dr. R Raveendran, Research Officer, S N Trust Kollam. During this session, he explained and provided valuable insights about NIRF ranking parameters. The knowledge gained from Dr.R Raveendran's expertise drives the college towards success. Consequently, the college showcased significant improvement by achieving 201-300 band in the NIRF ranking for the year 2024. This success stands as evidence to the institution's commitment to continuous improvement.

5. Explore partnerships and collaborations with reputed institutions, both regionally and nationally. These collaborations can facilitate faculty and student exchange programmes, joint research projects, and access to additional resources.
6. Embrace technology to supplement the limited infrastructure. Utilize online resources, digital learning platforms, and virtual classrooms to enhance the educational experience for students.
7. Encourage faculty and students to engage in research and innovation activities.
