DLM Impact Language Lab

The DLM Impact is a full-service foreign language mastering solution, which is preloaded with Know-Your-Level, a preliminary built-in examination module that automatically measures the student's LSRW skill levels. The eLanguage Lab integrated with eExaminer together create a singularly unique virtual learning and the mentoring environment through which courses can not only be instantly delivered, accessed from anywhere, monitored in real-time and progress reports generated but also appropriately assessed and certified.

Unique & Outstanding Features

- **eCourser**: A single platform where you can create and easily manage course content and syllabi, combining self-paced activities, video lectures, and assignments. Use numerous types of teaching resources, quizzes, and educational activities allowing you to blend traditional and remote teaching
- **eExaminer:** This is an easy-to-use assessment tool for both teachers and students. Create question banks, Multiple formats including: T or F; Y or N; OWA; MCQ; MRQ; SFQ; MTF; Numeric & Essay.
- **eMessenger**: This is a very useful feature embedded in the platform where teachers can send and receive text/audio/video chats in absolute privacy between themselves, SAD, the Management and to each student individually as well.
- **eAssignments** : This is where students can post their completed assignments. When assignments are submitted the instructor can do the following: View all submissions and Send feedback and/or corrections
- **eReports** : Keep track of Students' as well as Mentor's attendance, activity and performance at all sessions within courses. This is also the place to post progress reports for students. eCertificates : Students can be awarded performance/course completion certificate. The admin/mentor can issue and view certificates of achievement student-wise
- **eUtilities** : English to English Dictionary Phonemic chart Know your Level [KYL] Know Your Level is a preliminary built-in examination module to accurately pinpoint a student's LSRW skill levels. The results are displayed instantly in real time to both the teacher and the student and is clearly indicative of the level at which a student should start his/her course.
- **eTalker for Listening & Speaking skills** : Student can do lessons on bettering their listening & speaking skills helping improve their understanding of the language and its pronunciations. eReader for Reading skills Students can perform reading skill activities here. Reading will help them to improve their vocabulary and understanding of the language.
- **eWriter for Writing Skills**: Students can perform writing skill activities here. They can improve their writing by understanding model texts and how they're structured. There are different types of model texts, with writing tips and interactive exercises.

Courses & Methodology

Preloaded Interactive Lesson Modules with Exercises are designed according to the Common European Framework [CEFR] are categorized into the following levels:

- Beginner: - Pre-A1; A1 & A2 Intermediate: - B1 & B2
