Guna Caves, initially named as Devil's Kitchen, is a cave located in Kodaikanal, Tamil Nadu, India. It attracts many visitors every year. The location got the name Guna Caves after it was featured in the 1991 film Gunaa starring Kamal Haasan. The caves are notorious for its dangerous history as many people who entered to explore them have disappeared without a trace. As of 2016, police have recorded 16 disappearances in connection with the cave without bodies being retrieved. To date, only one person has ever escaped from the depths of the Guna caves, which serves as the central narrative for the 2024
