POST GRADUATE DEPARTMENT OF ECONOMICS

S N COLLEGE, KANNUR

Department Profile for the Academic Year 2023-24

The Department of Economics, established in 1960, holds the distinction of being the oldest department at the college, commencing operations in the very year the college was founded. B.A. in Economics program is one of the earliest undergraduate programs in the Malabar region, setting a strong foundation for economics education. In 1978, we expanded our academic offerings with the introduction of the M.A. in Economics, further cementing our commitment to advanced economic studies and research.

Economics “is intellectually fascinating and challenging.” This is how James Tobin described this dynamic subject. The department of Economics has always strived to realize this ideal and has also endeavoured to make the discipline relevant to the needs of the hour. The department works hard to make teaching a learning process- interesting, interactive and comprehensible to the students. As the oldest post graduate department of S.N College, the department has distinguished itself as one of the leading centres for Economics under Kannur University. With its enviable legacy of illustrious teachers and successful alumni, it has carved a niche for itself. Students joining the department are ensured the freedom to express themselves critically and are provided opportunities to hone their talents and their personality in ways that would be beneficial to the self and the society at large.

Our Mission

The Mission of the Department is to advance the understanding of economic principles and their real-world applications. We are dedicated to providing a comprehensive education that empowers students to become analytical thinkers, innovative problem solvers, and socially responsible citizens.

Our Vision

We envision transforming students into socially responsible individuals with a deep understanding of economics and its real-world applications. By equipping them with the knowledge and skills to navigate and thrive in a rapidly changing global landscape, we aim to cultivate leaders who can make meaningful

contributions to society. Our goal is to prepare our students to live successfully in the emerging dynamic world.

Academic Programs

The Department of Economics offers a comprehensive range of academic programs, including:

- **B A Economics:** A robust curriculum covering microeconomics, macroeconomics, development economics, international economics, banking and finance, heterodox economics, econometrics, and elective courses in various economic fields.
- **M A Economics:** Advanced training in economic theory, quantitative methods, and econometrics.
- **B A Honors in Economics (4 Year UG Program)**
- **B A Honors with Research (4 Year UG Program)**

Faculty Profile

The Department of Economics boasts a dedicated and highly qualified faculty of five members.

| Sl. No. | Name | Designation | Qualification | Years of Experience |
|---------|--------------------------|---------------------|------------------------|---------------------|
| 1 | Dr. Jayasree T O | Associate Professor | M A., B.Ed., NET, Ph D | 19 |

Department Library

The Department Library is a vital resource for our students and faculty, housing a collection of 663 carefully curated books that cover a wide range of economic topics. In addition to the extensive book

collection, the library subscribes to five prestigious academic journals, ensuring access to the latest research and developments in the field of economics. We also provide daily access to *The Hindu* newspaper, offering valuable insights into current events and economic trends.

Student Life and Support

The Economic Association actively organizes a diverse array of programs each year aimed at fostering both academic and cultural growth among students. The association recognizes student achievements through the presentation of mementos and other forms of motivation, encouraging excellence in academic performance and participation in extracurricular activities.

Planning Forum

In 2023, the Department of Economics launched the Planning Forum, a vibrant platform dedicated to enriching the academic experience through diverse activities. The forum organizes monthly events, including invited lectures by distinguished economists, stimulating debates, and a variety of academic engagements. These activities provide students with invaluable opportunities to deepen their understanding of economic theories and their practical applications. By fostering an environment of intellectual curiosity and discussion, the Planning Forum plays a crucial role in enhancing the educational journey of our students.

Endowments

Our department is honored to offer a range of endowments that recognize and reward academic excellence among our students:

- **Sri Punakan Kannan Vakil Memorial Prizes Endowment Fund:** Instituted by P.P. Lakshmanan from New York, this fund awards student who achieve the highest marks in the final year of the M.A. Economics program.
- **O.P. Narayanan & Karthi Narayanan Endowment:** This endowment honors students who secure the highest marks in the final B.A. Economics examination.
- **P.A. Sadasivan Master Endowment:** Awarded to students achieving the highest marks in Public Finance in both undergraduate and postgraduate Economics courses.

Alumni

The Economics Alumni Association established in 2005 fosters a strong network among former students and actively supports the department by contributing resources such as computers, fans, and bookshelves. It also organizes webinars, annual alumni meet, and classes by eminent alumni to motivate current students. Registered under the Societies Registration Act in 2021, the association continues to play a crucial role in promoting academic and co-curricular activities, thereby enhancing the overall educational experience for all students.

The Economics Alumni Association also provides cash awards to the top-performing students in both undergraduate and postgraduate university examinations in each year. In 2023 an amount 50,000 was deposited in the college co-operative society to provide scholarship to department toppers in First semester M A Economics University Examinations.

Department of Chemistry, Sree Narayana College, Kannur

Vision

To become a centre of excellence in chemistry education and research, fostering innovation and producing globally competitive professionals who contribute to scientific advancements and societal development.

Mission

1. **Quality Education:** To provide high-quality education in chemistry through a well-structured curriculum and innovative teaching methodologies.
2. **Research Excellence:** To promote cutting-edge research and foster an environment of intellectual curiosity and scientific rigor.
3. **Skill Development:** To equip students with practical skills and theoretical knowledge necessary for careers in academia, industry, and research.
4. **Community Engagement:** To engage with the community through outreach programs and partnerships with academic and industrial entities.

History and Achievements

The Department of Chemistry at Sree Narayana College was established in 1960, marking the beginning of a journey towards academic and research excellence. Under the pioneering leadership of the first Head of Department, Prof. A.O. Thomas, the department gained affiliation with Calicut University in 1961.

The year 1970 was a milestone for the department as it was elevated to a Postgraduate Department. This period, under the stewardship of Professor A.O. Thomas, is often referred to as the golden era. The department excelled in both academic performance and research, moulding numerous scholars who went on to make significant contributions in various fields.

In 1995, the department was further elevated to a Research Centre of Calicut University, marking a significant step towards advanced research and development. Dr. Janardhanan C, a key figure during this time, produced 15 PhDs and received research grants under the KSCSTE project, contributing significantly to the department's research output.

Following Dr. Janardhanan, Dr. Anitha P.K. was recognized as a research guide under Kannur University, continuing the tradition of excellence in research. In 2023, Dr. Charishma Ravidran was awarded a PhD, adding to the department's academic laurels.

Strength

The Chemistry Department at Sree Narayana College, Kannur boasts a robust research profile, underscored by the dedication and expertise of its faculty members. These educators are committed to providing continuous support to students, particularly in their pursuit of higher studies. The department is well-equipped with separate laboratories for both undergraduate and postgraduate students, as well as a dedicated research lab. This comprehensive infrastructure is complemented by the faculty's assistance with projects and internships, ensuring students receive practical experience and guidance throughout their academic journey.

Weakness

Dept Of Chemistry Sree Narayana college has opportunities for growth and development to enhance its teaching and research endeavors. By addressing some areas, the department can further improve its academic programs, research output, and reputation, ultimately benefiting students. Investing in modern research infrastructure would significantly boost the department's capabilities and facilitate innovative discoveries. Additionally, refining hazardous chemical disposal protocols will ensure a safer and more sustainable environment. Exploring international and industrial collaborations can foster valuable partnerships, enrich faculty and student experiences, and expand research horizons. Currently, the department's classroom capacity presents a challenge in accommodating all the fyugp courses, suggesting a need for strategic space planning.

Opportunities

The Chemistry Department at Sree Narayana College, Kannur offers a wealth of opportunities for career development and research. Students benefit from comprehensive guidance that prepares them for diverse career paths in academia, industry, and research. The department actively engages in external project consultancy, providing students with real-world experience and professional networking opportunities. Interdisciplinary research projects are encouraged, fostering collaboration and innovation across various scientific fields. Additionally, the department offers add-on courses designed to enhance self-employability, equipping students with the skills and knowledge needed to succeed in a competitive job market.

Challenges

Despite its rich history and achievements, the Department of Chemistry faces significant challenges, particularly in the area of student placements. One of the primary obstacles is the lack of nearby industries in the field of chemistry, which limits opportunities for students to secure employment after graduation. This gap necessitates a focus on enhancing industry-academia collaborations and seeking alternative avenues for student placements, such as partnerships with research institutions and organizations outside the immediate geographical area.

In2009 a significant change in the curriculum was introduced in colleges by implementing the Choice based Credit Semester System (CCSS) for the undergraduate programmes. As per CCSS, duration of the undergraduate programme is six semesters, distributed in three academic years.

At present the sanctioned strength of students is 50. The total number of students of Malayalam BA degree programme is 150. Students are given an opportunity to study the regional history of Kerala. The department also ventures to keep the students informed about the international and national happenings through seminars and Quiz programmes. Inculcating a sense of patriotism and pride in our cultural heritage and motivating the students to ideal citizens of India are the primary goals of the department.

An intimate part of our curriculum is the workshops, seminars, projects and field visits which enhance the awareness and personality of our learners. Yet another inseparable part of our study is the interaction with various experts who in their workshops and talks, both formal and informal, do give a sense of clarity, direction and perspectives to the youngsters. We in our department promote and encourage the unique artistic talents of the students who hail from the authentic ambiance of Theyyams and other folklore arts. With five members and an inexhaustible energy, the department is part of every facet of the college in terms of publications, resources, research outputs and social interactions.

Every year Department of Malayalam conducts Cultural activities, Literary activities, Socially committed activities, etc. Under the banner of Sargavedi, the Malayalam Association, the Department of Malayalam conducts several activities like Day Observations - Reading Week, Keralappiravi, Malayala Dinaghosham, Bharana Bhasha Varaghosham, Mathrubhashadinam, etc. Commemorations – Vayalar, Thakazhy, Basheer, Uroob, Madhavikutty, etc. Seminars, Workshops, Demonstration Classes for introducing art forms Classical as well as Folk Arts, Drama Fest, Film Fest, etc. Our prestigious activities are the Folklore Club, the club for promoting Folk arts & Culture affiliated to Kerala Folklore Academy .

In the past twelve years it has educated hundreds of graduates who have made their mark in society. At present the Department is an integral part of the University of Kannur.

The total number of students in the department in the academic year 2023-24 is 149. The students are from varying economical and educational backgrounds. Majority of the students belong to lower class families. Many of our students come from BPL families.. The eligibility of admission to the UG Programme is +2 or equivalent. The allocation of seats is according to the Govt. regulation regarding reservation norms. The students represent a cross section of society in the region. Most of the students come

from Malayalam medium school and their proficiency in English is not as good as in Malayalam. At present there are five permanent faculties in Malayalam Department. The department is headed by Dr.M P Shanoj. Sreelatha E, Bijali P, Sheeba P K, Dr.Bijoy.M are other faculties working in the department of Malayalam.

FUTURE PERSPECTIVES

- **We intend to carry out Research work in advanced areas of life science like Molecular Biology, Biotechnology, Biochemistry etc.**

POST GRADUATE DEPARTMENT OF ECONOMICS

S N COLLEGE, KANNUR

Department Profile for the Academic Year 2023-24

The Department of Economics, established in 1960, holds the distinction of being the oldest department at the college, commencing operations in the very year the college was founded. B.A. in Economics program is one of the earliest undergraduate programs in the Malabar region, setting a strong foundation for economics education. In 1978, we expanded our academic offerings with the introduction of the M.A. in Economics, further cementing our commitment to advanced economic studies and research.

Economics “is intellectually fascinating and challenging.” This is how James Tobin described this dynamic subject. The department of Economics has always strived to realize this ideal and has also endeavoured to make the discipline relevant to the needs of the hour. The department works hard to make teaching a learning process- interesting, interactive and comprehensible to the students. As the oldest post graduate department of S.N College, the department has distinguished itself as one of the leading centres for Economics under Kannur University. With its enviable legacy of illustrious teachers and successful alumni, it has carved a niche for itself. Students joining the department are ensured the freedom to express themselves critically and are provided opportunities to hone their talents and their personality in ways that would be beneficial to the self and the society at large.

Our Mission

The Mission of the Department is to advance the understanding of economic principles and their real-world applications. We are dedicated to providing a comprehensive education that empowers students to become analytical thinkers, innovative problem solvers, and socially responsible citizens.

Our Vision

We envision transforming students into socially responsible individuals with a deep understanding of economics and its real-world applications. By equipping them with the knowledge and skills to navigate and thrive in a rapidly changing global landscape, we aim to cultivate leaders who can make meaningful

contributions to society. Our goal is to prepare our students to live successfully in the emerging dynamic world.

Academic Programs

The Department of Economics offers a comprehensive range of academic programs, including:

- **B A Economics:** A robust curriculum covering microeconomics, macroeconomics, development economics, international economics, banking and finance, heterodox economics, econometrics, and elective courses in various economic fields.
- **M A Economics:** Advanced training in economic theory, quantitative methods, and econometrics.
- **B A Honors in Economics (4 Year UG Program)**
- **B A Honors with Research (4 Year UG Program)**

Faculty Profile

The Department of Economics boasts a dedicated and highly qualified faculty of five members.

| Sl. No. | Name | Designation | Qualification | Years of Experience |
|---------|--------------------------|---------------------|------------------------|---------------------|
| 1 | Dr. Jayasree T O | Associate Professor | M A., B.Ed., NET, Ph D | 19 |

| 4 | Ms. Priyanka Jayaprakash | Assistant Professor | M A , NET | 7 |
| 5 | Ms. Sophia D G | Assistant Professor | M A., M.Ed., NET | 19 |

Department Library

The Department Library is a vital resource for our students and faculty, housing a collection of 663 carefully curated books that cover a wide range of economic topics. In addition to the extensive book

collection, the library subscribes to five prestigious academic journals, ensuring access to the latest research and developments in the field of economics. We also provide daily access to *The Hindu* newspaper, offering valuable insights into current events and economic trends.

Student Life and Support

The Economic Association actively organizes a diverse array of programs each year aimed at fostering both academic and cultural growth among students. The association recognizes student achievements through the presentation of mementos and other forms of motivation, encouraging excellence in academic performance and participation in extracurricular activities.

Planning Forum

In 2023, the Department of Economics launched the Planning Forum, a vibrant platform dedicated to enriching the academic experience through diverse activities. The forum organizes monthly events, including invited lectures by distinguished economists, stimulating debates, and a variety of academic engagements. These activities provide students with invaluable opportunities to deepen their understanding of economic theories and their practical applications. By fostering an environment of intellectual curiosity and discussion, the Planning Forum plays a crucial role in enhancing the educational journey of our students.

Endowments

Our department is honored to offer a range of endowments that recognize and reward academic excellence among our students:

- **Sri Punakan Kannan Vakil Memorial Prizes Endowment Fund:** Instituted by P.P. Lakshmanan from New York, this fund awards student who achieve the highest marks in the final year of the M.A. Economics program.
- **O.P. Narayanan & Karthi Narayanan Endowment:** This endowment honors students who secure the highest marks in the final B.A. Economics examination.
- **P.A. Sadasivan Master Endowment:** Awarded to students achieving the highest marks in Public Finance in both undergraduate and postgraduate Economics courses.
- **Vijin K.V. Memorial Endowment:** Recognizes students who achieve the highest marks in the "Basic Tools for Economic Analysis" course in the undergraduate program.
- **Mambally Rohini Endowment:** Presented to the student securing the highest marks in the undergraduate Economics course.

- **Alumni Excellence Award:** presented to students who secure the highest marks in the First Semester MA Economics university examinations, as well as those who achieve the top marks in the overall MA and BA Economics university examinations at the department level.

BoSs & BoEs

Several past and present faculty members of our department have distinguished themselves as Chairperson for Board of Examinations and members of Board of Studies both Undergraduate and Postgraduate.

Alumni

The Economics Alumni Association established in 2005 fosters a strong network among former students and actively supports the department by contributing resources such as computers, fans, and bookshelves. It also organizes webinars, annual alumni meet, and classes by eminent alumni to motivate current students. Registered under the Societies Registration Act in 2021, the association continues to play a crucial role in promoting academic and co-curricular activities, thereby enhancing the overall educational experience for all students.

The Economics Alumni Association also provides cash awards to the top-performing students in both undergraduate and postgraduate university examinations in each year. In 2023 an amount 50,000 was deposited in the college co-operative society to provide scholarship to department toppers in First semester M A Economics University Examinations.

DEPARTMENTAL PROFILE-PHYSICS 2019-2024

- 1. Introduction:** The Physics Department of S.N. College, Kannur, established in 1960, is dedicated to excellence in teaching, research, and innovation. Over the years, the department has significantly expanded, offering a range of undergraduate and postgraduate programs that aim to provide students with a deep understanding of physics and its applications.
- 2. Vision and Mission:**

Vision: The vision of the Physics Department at Sree Narayana College, Kannur is to become a leading centre of excellence in physics education and research. The department aspires to foster a culture of critical thinking, creativity, and innovation, preparing students to contribute meaningfully to scientific advancements and societal development. It aims to build a community of learners and researchers who can address global challenges through a strong foundation in physics.

Mission: The mission of the department is to provide high-quality education that equips students with a solid understanding of fundamental and applied physics. Through rigorous academic programs, cutting-edge research, and hands-on learning experiences, the department strives to cultivate skilled professionals and researchers. In addition to its educational goals, the department is committed to serving the broader community by engaging in outreach programs and initiatives that promote scientific literacy and societal well-being.
- 3. Year of Establishment:** UG 1960, Upgraded to Post Graduate Department in 1998
- 4. Names of Programmes / Courses offered:** BSc Physics, MSc Physics
- 5. Name of Interdisciplinary courses and the department / units involved:** Nil
- 6. Annual / semester / choice based credit system (programme wise):** CBCSS
- 7. Courses in collaboration with universities, industries, foreign institutions etc:** Nil
- 8. Add-On Courses Provided by the Department:** Basic Electronics and LED Technician
- 9. Number of Teaching Posts:**

| | Sanctioned | Filled |
|----------------------------|------------|-----------|
| Professor | NA | NA |
| Associate Professor | NA | NA |
| Assistant Professor | 08 | 08 |

- 10. Number of Guest Faculties: 0**
- 11. Number of Part-time Guest Faculties: 0**

12. Faculty profile with Name, Qualification, Designation, Specialization (Ph.D/M.Phil etc.)

| Name | Qualification | Designation | Specialization | Years of Experience |
|------------------|--------------------|-----------------------------|-------------------------------|---------------------|
| Sreshma Rajan | MSc, B.Ed., NET | Assistant Professor | Optics and Photonics | 19 |
| Remya Krishnan M | MSc, B.Ed., NET | Assistant Professor&Head | Classical Mechanics | 14 |
| Vipin V K | MSc, B.Ed., NET | Assistant Professor | Electronics | 13 |
| Kala K S | MSc, B.Ed., NET | Assistant Professor | Electronic Instrumentation | 13 |
| Rashida T N K | MSc, NET | Assistant Professor | Condensed Matter Physics | 13 |
| Bivitha T K | MSc, NET | Assistant Professor | Astro Physics | 13 |
| Remya M | MSc, BEd, NET | Assistant Professor | Spectroscopy | 12 |
| Manoob V J | MSc, BEd, NET | Assistant Professor | Mathematical Physics | 12 |

13. List of Senior Visiting Faculty: Nil

14. Publications:

| | |
|--|----|
| Number of Publication in Peer Reviewed International Journals | 10 |
| Number of Publications in National/Regional Journals with ISSN Numbers | |
| Number of Published Chapter in Books | |
| Number of Books Published with ISBN Numbers | |
| Number of Books edited with ISBN Numbers | |

15. Number of faculty with ongoing projects from

a) National and b) International Funding Agencies and Grants Received : Nil

16. Departmental Projects funded by DST-FIST, UGC, DBT, ICSSR etc. and Total Grants Received: Nil

17. Research Centre Recognized by the University: No

18. Awards / Recognitions received by Faculty :Nil

19. Student Achievements: Anusree N, from the MSc 2021-23 batch, has been awarded the prestigious **Marie Curie Fellowship**.

MSc Physics Rank: 3

BSc Physics Rank:2

20. List of Eminent Academicians and Scientists / Visitors to the Department:

- Mr. Athul Suresh-Radiation safety Officer
- Dr. Ajith Parameswaran -Scientist, International Centre for Theoretical Science, Bangalore
- Sri. Jayaram M -Director, State Bank Institute of Learning and Development
- Dr. Rohit Nambiar & Dr. Bimal V.O-Assistant Professors, Chintech
- Dr.P.C Vinod Kumar- Professor & Head, Department of physics, Sardar Patel University
- Dr. Nijil Mankuzhiyil, Scientist, BARC
- Dr. K K Narayanan, Former Scientific officer, BARC
- Dr. Vinod Kumar P C- Professor in Physics (Rtd.) Sardar Patel University
- Mr Sreevasthava P P. -Alumnus of IIM-B and CUSAT

21. Seminar / Conferences / Workshops organized and the source of funding: Dept of Physics under the aegis of Indian Association of Physics Teachers (IAPT) and Alumni association (SNCPAA) conducted one day National Seminar on "Physics Education and Research "on 09-11-2023 at College Seminar Hall.

22. How many students have cleared national and state competitive examinations such as NET, SET, GATE, Civil Services, Defence Services etc.: 48

23. Details of Infrastructural Facilities

- Library books available for Students and Faculties : Yes (1388 Books)
- Internet Facilities for Staff and Students : Yes
- Total Number of Class Rooms and laboratories : 7
- Class Rooms with ICT Facility : 2

24. Number of students receiving financial assistance from college, university, government or other agencies: 250

25. Details on student enrichment programmes (special lectures / seminar) with external experts:

- Interaction with the alumnus of the department Mr. Athul Suresh (BSc Physics 2014 Batch, Radiation Safety Officer) on a topic Job opportunities in the field of Medical Physics on 02-07-2019.
- Student Solar Ambassador Workshop in association with IIT Mumbai on 03- 10-2019.
- A seminar by Dr. Ajith Parameswaran (Scientist, International Centre for Theoretical Science, Bangalore) on a topic "From Galileo to The Waves of Gravity" conducted in association with Kerala Sastra Sahithya Parishad on 15-11-2019.
- Outreach Campaign & Demonstration of Computer based tools for Solar Eclipse in association with Open Space Foundation on 13-12-2019.
- Physics Alumni 81 Endowment Lecture by Sri.Jayaram M (Director, State Bank Institute of Learning and Development) on 18-12-2019.

- Conducted seminar under the banner of FOCUS 2020, with Dr. Rohit Nambiar & Dr. Bimal V.O(Assistant Professors, Chintech) as the resource persons on a topic “Choose Smart, Choose Right- Helping students make more informed education & career choices” on 07-02-2020.
- A national webinar was organised on the topic “Extreme Energies from the Unknown universe” with Dr. Nijil Mankuzhiyil, Scientist, BARC, as the resource person on 18/09/2020.
- A webinar was conducted in association with the SN College Physics Alumni Association on the topic “Prospects of Physics in the current scenario” with Dr. K K Narayanan, Former Scientific officer, BARC on 02/01/2021.
- Conducted seminar under the banner of FOCUS 2021, with Dr.K.M Udayanandan as the resource persons on a topic “Physics of Music” on 28/03/2021.
- A talk on “Digital Transformation: Future & its importance” was delivered by Dr. Vinod Kumar P C- Professor in Physics (Rtd.) Sardar Patel University and Alumnus-1980 B Sc Physics batch at college seminar hall on 2/06/2023.
- A One Day Workshop on “ChatGPT in ACADEMIA” was organised by Dept of Physics and IQAC in association with ICT Academy of Kerala, with RIJIN N DAS Head Knowledge Officer ICTAK, as the resource person on 19/08/2023.
- World Ozone Day celebrations was organised on 20/09/2023. Inter-department quiz competition and poster competition was conducted.
- Dept of Physics under the aegis of Indian Association of Physics Teachers (IAPT) and Alumni association (SNCPAA) conducted one day National Seminar on “Physics Education and Research “on 09-11-2023 at College Seminar Hall.
- Dept of Physics organised an annual endowment lecture conducted by B Sc Physics Alumni Batch.” Artificial Intelligence-The current land Scape” was the topic dealt by the resource person Mr Sreevasthava P P. (Alumnus of IIIM-B and CUSAT) on 23-02-2024.
- Conducted seminar under the banner of FOCUS 2024, with Mr Arun Krishnan M P as the resource persons on a topic “Bridging Physics and Medicine: Theoretical Insights and Career Perspectives in Medical Physics” on 29/02/2024.

26. Teaching methods adopted to improve student learning:

- Internal Assessment
- Students' Seminar
- Home Assignment
- Students' Group Discussion
- Project Work

27. Participation in Institutional Social Responsibility (ISR) and Extension Activities:

- Free coaching i.e. remedial and tutorial classes to needy and academically backward students
- Students' participation in NSS, Games and Sports, Mock Parliament, Blood Donation Camp, and other social service activities.
- Outreach Campaign & Demonstration of Computer based tools for Solar Eclipse in association with Open Space Foundation.
- Community service initiatives

- Collaborations with industries/research institutions
- Student Solar Ambassador Workshop in association with IIT Mumbai
- Distribution of LED bulbs assembled by students to the adopted village, Erumakkudi.
- Physics association provided Automatic sanitizer Dispenser to various Public Health Centres.

28. Future Plans:

- Establishing research collaborations
- Introducing new courses/programs
- Enhancing infrastructure

29. SWOC Analysis:

Strengths:

- Qualified faculty
- Research focus
- Strong alumni network

Weaknesses:

- Limited resources
- Infrastructure constraints

Opportunities:

- Collaborations
- Funding opportunities
- Industry partnerships

Challenges:

- Competition
- Funding constraints
- Retaining faculty talent
